LEGISLATIVE REPORT

Ms. Cory and Mr. Ellsworth updated the Board on the status of legislation that may affect the Board. Senate Bill 1316 would allow respondents to recoup costs in cases where they prevail in disciplinary actions brought by the Board. House Bill 623 would create a central office of hearing officers and repeal and replace the Administrative Procedure Act. It would require appointment of hearing officers earlier in disciplinary cases and require that the case be overseen by a hearing officer. It would change evidentiary standards and the way hearings are conducted, making them more formal. It would eliminate the Board's ability to make or revise findings of fact of the hearing officer and expand the ability of a court to take more evidence and potentially even hold a new trial of a case. All of these changes would increase costs of disciplinary proceedings.

Each Board served by the Bureau has designated a member to work with the Bureau and the designated members of other Boards served by the Bureau to follow these issues and to work with the Governor's Office and Legislators as this legislation is considered.
